

7th EIBA Early Career Network (EIBA-ECN) Paper Development Workshop (PDW)

*The 7th EIBA-ECN-PDW pre-conference event will be held at EIBA 2021 Madrid
on 10th December!*

Dear Colleagues,

The **EIBA Early Career Network (EIBA-ECN)** was launched at the EIBA 2014 conference in Uppsala. Our vision is to establish a forum and cooperation platform for young EIBA scholars after they obtained their PhD. EIBA-ECN scholars are brought together to share ideas, build up networks with like-minded individuals, and discuss research projects with a view to the possibilities of cooperation and collaboration.

To promote the idea, this year's EIBA Conference features the **7th EIBA Early Career Network Paper Development Workshop (EIBA-ECN-PDW)** on **10th December 2021!**

If you are interested in presenting your paper and receiving relevant feedback – or perhaps helping others to develop their research projects – *please register for the EIBA 2021 -ECN-PDW* by sending an e-mail to the event organizers at bvlacic@ucp.pt

The extended deadline for submissions is 20th October 2021.

Please attach a PDF of your paper to your e-mail – and indicate if you have also applied for the IBR-PDW, JIBS-PDW or JIBP-PDW pre-conference events. (Please note that the PDWs are often held in parallel, so some schedules may overlap)

The **EIBA-ECN-PDW** is targeted towards **young scholars** who have already obtained their PhDs (e.g., assistant professors, post-doctoral researchers, lecturers, etc.); in addition, we consider only PhD students in their third or final year as eligible for this EIBA event.

ATTENTION: Those who would like to participate in the **7th EIBA-ECN Workshop without making a presentation**, please contact the organizers via e-mail by **5th December 2021**.

NOTE: Participation in the **EIBA 2021 ECN-PDW** is free-of-charge for accepted applicants; however, all participants (including non-presenters) must be duly and fully registered for the **EIBA Annual Conference** (this is a mandatory eligibility requirement – no exceptions).

We are looking forward to meeting you in Madrid this coming December!
